

ACKNOWLEDGEMENTS

On behalf of the Board of Directors of Creation Science Fellowship, Inc., sponsors of the International Conferences on Creationism I would like to take this opportunity to thank everyone involved in making ICC98 a success.

Appreciation must go to Russell Bixler and Cornerstone Television for their continual support of the Conferences and their encouragement over the years.

Special thanks must go to Dennis Wert, CSF Chairman, whose handling of the many phone and written inquiries helped bring about the success of ICC98. Also Dennis' coordination of the Session Hosts and the Conference Display Booths was immeasurable. Thanks Den, ICC98 could not have been without you.

Steve Rodabaugh, Chairman of the ICC's Technical Review Committee, whose professional experience and expertise with the technical review process was invaluable and helped take the quality of the ICC peer review process to the next level. Thanks Steve it has been a privilege and honor working with you.

The ICC Editors whose burning of the midnight oil and dedication to the ICC peer review process. They are: Paul Ackerman, Steve Austin, Ken Cummings, Phil Dennis, Wayne Frair, Paul Nelson, John Mark Reynolds, Steve Rodabaugh, Andrew Snelling, Larry Vardiman, and Kurt Wise.

The ICC Technical Review Liaisons for their dedication to ICC98. They are Lionel Dahmer, Robert Harsh, Steve Rodabaugh, Robert Walsh, and Dennis Wert.

Sheila Jackson and Cathy Rodabaugh for coordinating the ICC's Registration Committee. The proper function of the Registration Committee was so crucial to the success of ICC98. I especially would like to thank these ladies for their help and encouragement over the past year. When things seemed to be overwhelming, they always jumped in and "took the bull by the horns" and finished the course. Thanks ladies.

Jim Hilston, ICC Artist whose talent with the graphics arts helped present ICC98 in wonderful "color". Jim's help in bringing together these ICC Proceedings can not go unmentioned. Thanks Jim.

Bob Harsh for designing and coordinating the Educators' Symposium.

Bob Ivey whose organizational skills and dependability go unrivaled. Bob's computer and software expertise provided a big plus.

Reid Moon who faithfully served as the ICC Transportation Coordinator.

Jeff Lawther and Rachel Rodabaugh who together brought about another wonderful collection of eclectic creation materials.

Steve Wert whose love for the Audio / Video arts helped in coordinating each session.

George Plaks, ICC Photographer who captured on film the "heart" of ICC.

To the host of unnamed volunteers whose efforts helped bring about ICC98.

Robert E. Walsh
(ICC98 Coordinator)
